Used to be so easy to give my heart away.
But I found out the hard way, there's
a price you have to pay.

I found out that love, is no friend of mine.
But I should've known time after
time.

Coro:

So long it was so long ago,
but I still got the blues for you.

Used to be so easy to fall in love again.
But I found out the hard way, it's
a road that leads to pain.

But I found that love was more than just a game,
You're playin' to win but you
lose just the same.

puente

So many years since I've seen your face,
but hear in my heart there's an empty
space where you used to be.

repite coro

coro alternativo:

Though the days come and go,

there is one thing I know, I still got the blues
for you.
